# SASEG STUDENT GRANTS 2018

The SASEG Student Grants are designated for MSc and PhD students of Earth Sciences of Swiss Universities working on geo-energy topics including conventional and unconventional hydrocarbons, geothermal energy, geological storage of carbon dioxide and natural gas, nuclear waste repositories and other geo-energy matters.

The grants are aimed at participating in the costs of data acquisition and analysis, and in fees and travel costs for attendance at relevant conferences and courses.

Maximum amount for an individual request is 1000 CHF.

Grants are awarded in spring and late autumn.

Applicants are requested to fill in the SASEG STUDENT GRANT application form ([www.saseg.ch](http://www.saseg.ch)) and to provide a motivation letter, a short CV and a letter of support from the research supervisor. Grant applications will need to be submitted before March 30<sup>th</sup> and October 1<sup>st</sup>. Please visit the SASEG web site for more details.

**Spring 2018 dead line extended until May 1<sup>st</sup>**
